LZ FRIENDLY (LITE)

VVA Chapter #400 (East Bay)

Alameda's Craft & Wine Park St. Event

Chapter #400 set up an informational table at this recent event for the City of Alameda's annual Park St., this past July 26th.

Pictured (L-R) are Bill Hodges, Steve Rogers and Bronson "Chief" Parry. Others who helped out were Arnold Dos Santos, Andy Huntoon and Ray Will.

We were able to connect with a number of veterans, many of them in our own (Alameda) back yard.

We look forward to doing many more events such as this!

Save the Date!

The big Livermore Car Show, which by odd coincidence is being held in the City of Livermore! We'll be holding another Veterans Outreach, so **contact me** for details. It's on September 28th. Help your fellow vets and get to see some really bitchin' cars!

LZ FRIENDLY (LITE) has been contrived, assembled and written by Bill Hodges, and should appear numerous times throughout the year, as a means of keeping you informed as to what YOUR VVA chapter is doing.

INTRODUCTIONS!

Chapter #400 President Arnold Dos Santos and I were having lunch the other day and kicking around how we could best keep us all informed as to what we were up to and doing on the chapter's behalf.

Arnold suggested a newsletter.

So, this is my attempt at coming up with the right vehicle for that.

I will attempt, with your input, to publish this several times during the course of the year.

Who knows, it might even wind up on our web page!

(Right Dave?!)

Anyway, hope you like it!

This is the VVA California State Council Convention.

And, as usually the case, the air conditioning only stopped working on the hot days!
